Testimonials

"I cannot praise and recommend Goddess Travel's India trips enough! I was fortunate to have the opportunity to make a return trip to India with Rohini and this amazing trip surpassed my highest expectations. Rohini helped me plan a trip with a small group of friends and she over-delivered on every account. Every aspect of our trip was spectacular! The hotels were magnificent; the meals were incredible and Rohini's attention to detail was beyond extraordinary. We were delighted everyday with wonderful authentic experiences. If you want to truly experience the whole of India with a complete immersive experience, Goddess Travels will provide this and much more! Thank you, Rohini and Goddess Travels for giving us an amazing lifetime trip!" Debbie, USA, 2023

"Nearly 5 years ago after being introduced to Rohini, I told someone "India isn't on my bucket list, yet if I ever decide to go, Rohini is the one I'll trust." And trust her I did in November 2023. Everything went perfectly from the time we touched down in Delhi until we flew back home two weeks later. Highlights included local guides and tourist attractions such as the Taj Mahal, Mother Ganga, and Buddha's first sermon site. In addition we were able to feel the local culture at the markets in Old Delhi, on a country train ride in Deogarh where I fed the wild monkeys, and at the pyres in Varanasi. What an amazing trip!!! I'd highly recommend."- Angie, USA, 2023

"For anyone out there with even a modicum of hesitation about traveling to India, I recommend with all my heart that you accompany Goddess Travels for what will be an amazing life experience. From the moment you exit customs upon arrival until the day you find yourself walking to your departure gate for your return flight home, every aspect of your journey will be expertly handled. I often felt like royalty being seamlessly transferred from the plush air-conditioned van to wherever was next, be it a tuk-tuk, train, boat, airport or hotel. It was a pleasure to have the luxury of traveling stress free without ever concerning yourself with the details that foreign travel typically entails. India's vibrant culture heightens all your senses, and after each full day of immersing yourself into their way of life, you'll savor the oasis of your first class hotel room, very often a room in an actual palace. There is no place in the world like India, and for those adventurous travelers who are fortunate to experience its magic, be prepared to cherish your journey for the rest of your life."- MIndy, USA, 2023

"I very recently returned from a two-week tour of India, led by Rohini Grace of Goddess Travels. I had never met Rohini, but my very good friend had toured with her before and I trusted my friend that I would not regret making the investment in time and money with Rohini. I was NOT at all disappointed. This trip was not easy in that the flight was very long and traveling at this day and age is challenging and very stressful. She reassured us and answered questions and even held my hand through the travel process. While in India we took two additional domestic flights. She had everything scheduled and all we had to do was follow our leader. We took a train ride and she handled the transporting of us to do that with grace and ease. No delays or questions were asked as to drivers taking us to attractions and from city to city. It was all handled by Rohini without a glitch. Rohini made the journey worth it. Her passion and excitement for her beloved India exuded through her. She put all of us first and never her own needs and wants. Rohini was very approachable and endearing and I feel I made a new friend. She is a beauty! Admittedly I was nervous for my safety in India, but Rohini made me feel secure. The hotels were absolutely perfect and stunning. This was a life-changing trip and one that will be in my memory for the rest of my days. I highly recommend Rohini Grace and Goddess Travels." Ellen, USA, 2023

"Traveling to both south and north India with Goddess Travels was an incredible experience from start to finish! The trip was perfectly organized, yet we had the flexibility to explore what spoke to us. The attention to detail was amazing—from seamless logistics to thoroughly curated experiences. Our accommodations were stunning and comfortable, making each stop feel like a dream. One of the most unforgettable moments for me was visiting Dera Amber Camp and walking with Rangmala, the elephant. Spending a peaceful morning with her was truly magical and a memory I'll cherish forever. Every guide and local expert we met was warm, knowledgeable, and passionate about sharing the beauty of their cities. The entire journey felt immersive, enriching, and deeply special. If you're looking for a travel experience, the combines adventure, culture, and meaningful connections, I highly recommend Rohini with Goddess Travels!" Tacy, USA, 2025

"I just returned from a life-changing trip to India with Goddess Travels. Friends were planning to travel with Rohini and invited me to join. I was a little anxious about traveling with a group to India, but the experience was fantastic! The trip was both fun and educational. Rohini pulled together a team of smart, capable, funny, well-informed guides who welcomed us and taught us about their country. Rohini herself is well-organized, capable, strongly networked in India, fun, and brilliant at putting together a trip filled with adventures and quiet moments alike. She participated with us and seamlessly addressed all our questions and concerns. Our trip covered not only "must sees" like the Taj Mahal, but also off-the-beaten-track stops. This trip changed how I look at India and has inspired me to learn more. I highly recommend visiting India with Rohini and her team." - Dr. Elizabeth J. Altman, USA, 2024

"I cannot say enough about my recent trip with Rohini. A Goddess Travels tour is a thoughtfully curated and elevated experience seeing the best of India. I am a solo traveler and decided to do this trip with Rohini- I am so glad I did! Our group was always safe and comfortable, because she has worked with the same guides and drivers for many years. This is not your typical group tour—the highlights of my trip were not just the Taj Mahal, etc. but also the unexpected bonus of being welcomed into people's homes and hearing stories about their culture, food and families. I have not stopped talking about this trip since I got back, and I will definitely plan another tour with Rohini again!" -Tina, USA, 2025

"Rohini, of Goddess travels, was our guide and planner for a trip to India. Everything ran smoothly; she was enthusiastic and welcoming in every way. Rohini organized all the details impeccably, learned of our interests and helped make our wishes come true, and incorporated special festivals (some of which there were only rare tourists present), special times and places to visit the amazing sights of India when the crowds were less. She arranged local guides for all the stops who were excellent and provided informative insights and great cultural context. We cannot recommend Goddess Travels highly enough. Do not hesitate - this is the best way to see India!" Bruce and Caren, USA, 2019
